

Description:

- El Gouna is a luxury and a very special community at the Red Sea: wonderful lagoons, awesome sea shore, high-class hotels, variety of entertainment centers and full security. The town's unique blend of traditional and modern elements is the result of the dedication and work of an impressive list of prestigious architects. Egyptian Venice is one of the best places in the county to be in.

- Private beaches, restaurants and cafes, shops, yacht-clubs, water sports, international worldwide events and many others.

- The city has a private airport, European standards hospital, schools and university.

- Each apartment has a panoramic sea view, lagoon view, pool or garden views.
